Lesson · Anna 3 May

Heads stay left through the natural turn. Whisk: more cross, less turn.

Natural Turn Whisk

Practice · solo today

Spin not rushing; whisk sway still collapsing.

Spin Turn sway

Family note · Anna all dances

On every Feather, keep the head left – applies across all dances it appears in.

Feather family all dances

9:41

< **Natural Turn · step 2**
point note · 1st Long Side

● Me ● Lena ● Anna

● Me · 2d ago

feels rushed – wait for her weight

● Lena · 1d ago

agree – I'll commit to the side step sooner

● Anna · lesson 3 May

both: think “up & out”, not up.

create choreo

● Rise & fall

The rise and fall through the feet, legs and body across a step. Read down a figure to feel the swing.

VALUES

commence

begin to rise at the end of the step

body rise

rise through the body, feet still flat

foot rise

continue the rise up onto the balls of the feet

up

fully risen, weight on the toes

lowering

lower through the foot to finish the rise

Shown on every dance except Tango, which omits rise.
